++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy today with some rain, mainly across the north.

Today:
Bright with showers for the Northern Isles. Elsewhere, some early brightness in the south and far east, on an otherwise cloudy day with some rain. Outbreaks patchy across central and southern areas, but quite persistent, occasionally heavy across the Highlands.

Tonight:
Shetland mostly dry and clear. Elsewhere cloudy with occasional rain, this turning heavier at times over the north of the country.

Tuesday:
Another predominantly cloudy day with some rain, generally patchy and light, but chance of the odd heavier burst early in the day across the north and east.

Outlook for Wednesday to Friday:
Rather cloudy with further rain, most of this fleeting and light, but more organised rainband crossing from northwest late Thursday, early Friday, which turns heavy at times across the Highlands.
